**RE:** IDAHO POWER COMPANY TARIFF ADVICE NO. 13-04;  
MODIFICATION OF DOE SCHEDULE 30.

On October 15, 2013, Idaho Power Company filed Tariff Advice No. 13-04 requesting revisions to DOE Schedule 30. As part of Case No. IPC-E-11-13, Schedule 30 was approved without updating the contract number and date. In this filing Idaho Power Company seeks approval to update the clerical oversight to ensure consistency between Schedule 30 and the executed 2011 Agreement. The Company proposes changing the heading so it will correctly read "Special Contract Dated September 15, 2011, Contract No. GS-OOP-09-BSD-0651." The proposed change does not impact the Schedule's rates or any of the terms of the 2011 Agreement.

### STAFF RECOMMENDATION

The Staff recommends Commission approval of revised Schedule 30, with an effective date of November 15, 2013, as filed by Idaho Power Company.

### COMMISSION DECISION

Does the Commission wish to approve revised Schedule 30 as filed?
